

# Extend your wifi beyond your walls.

## eero Outdoor 7

### Built for all seasons.

#### WI-FI 7

eero Outdoor 7 extends eero networks to outdoor areas for whole-property connectivity. This dual-band Wi-Fi 7 access point, with an IP66 rating, integrates seamlessly with an existing eero network, providing fast and reliable wifi to your outdoor spaces.

#### Tech specs

- Supports internet plans up to 2.5 Gbps
- Up to 15,000 sq. ft. unobstructed coverage
- Wi-Fi standard: Wi-Fi 7
- IP66 rated
- Connectivity: Dual-band 2.4 GHz and 5 GHz
- One Ethernet port (1 x 2.5 GbE PoE+ port)
- Power supply: 30W outdoor PoE+ power adapter or directly via PoE+
- Supports 100+ connected devices
- Includes mounting kit for wood, vinyl siding, fiber cement, and stucco

#### Seamless wifi inside and out

eero Outdoor 7 extends the eero network, ensuring seamless connectivity for working, streaming, creating, and playing, whether on the patio or up in the treehouse.

#### Our first weatherproof outdoor device

IP66 rating with protection from dust, rain, and snow. Tested to operate between -40°F to 131°F.

#### No more deadspots

Up to 15,000 sq. ft. of unobstructed coverage and expands existing eero networks to provide seamless wifi, inside and out.

#### Multi-gig Wi-Fi 7 speed and performance

Compared to Wi-Fi 6 devices, Wi-Fi 7 technology provides faster speeds and reduces latency on your network.

#### Experience the eero TrueMesh difference

eero's TrueMesh networking technology optimizes performance, resulting in fast speeds, wireless efficiency, and a reliable connection outdoors.

#### Works with wired and wireless networks

eero Outdoor 7 is a native PoE device so it can be powered either through the included 30W outdoor PoE+ adapter or directly via a PoE+ connection.

#### Security that keeps you protected

Every eero comes with world-class encryption, security protocols, and ongoing security updates to help ensure your network stays safe and secure.

#### Gets better over time

Regular software updates bring you the latest and greatest in eero wifi while helping keep your network safe and secure.
