TruVista Continues Fiber Expansion

Brings Fiber To The Home Broadband Internet,
Video and Phone To Lake Wateree North Area

Fairfield County, South Carolina May 6, 2016: TruVista continues to expand its Fiber Optic Network into additional areas of Fairfield County, bringing fiber to the home (FTTX) Internet, Video and Phone services to certain portions of the Lake Wateree North area, in eastern Fairfield County.

TruVista Senior Vice President, Allison Jakubecy said, "We're excited to expand our Fiber Optic Network to deliver fiber to the home services to additional sections, of the beautiful Lake Wateree area, of Fairfield County. FTTX provides Internet speeds of 50 Mbps and above, plus superior quality video and phone services. These faster speeds give our customers the ability to stream HD movies, experience online gaming, seamlessly power all their devices at the same time and instantly upload and share pictures and video." She said, "TruVista is committed to making additional upgrades in Fairfield County in the coming months, with additional residential fiber to the home (FTTH) projects this year."

Please check our website (truvista.net/service-availability) to see what speeds and services are available at your location. To start enjoying the benefits of even higher speed Internet call TruVista today at 800.768.1212 or visit the local office at 736 US-321 BUS in Winnsboro.

Fairfield Businesses continue to enjoy the benefits of TruVista's 10 Gbps. Metro E services, utilizing its redundant fiber optic ring technology.
