TruVista Continues Fiber Expansion

Brings Fast Broadband Internet To Pelly Road and Plantation Point Areas

Fairfield County, South Carolina July 23, 2015: TruVista continues to expand its Fiber Optic Network into additional areas of Fairfield County, bringing faster Internet access speeds to the Pelly Road and Plantation Point areas, near Lake Wateree, in eastern Fairfield County.

TruVista Senior Vice President, Allison Jakubecy said, "We're excited to expand our Fiber Optic Network to deliver faster broadband Internet access services to additional sections, of the beautiful Lake Wateree area, of Fairfield County. These faster speeds give our customers the ability to stream HD movies, experience online gaming, seamlessly power all their devices at the same time and instantly upload and share pictures and video." She said, "TruVista is committed to making additional upgrades in Fairfield County in the coming months, with additional residential fiber to the home (FTTH) projects (coming in 2016) that will offer speeds of 50 Mbps. and above."

To start enjoying the benefits of even higher speed Internet call TruVista today at 800.768.1212 or visit the local office at 736 US-321 BUS in Winnsboro.

Fairfield Businesses continue to enjoy the benefits of TruVista's 10 Gbps. Metro E services, utilizing its redundant fiber optic ring technology.
