

Position Title

Analyst, Financial Planning & Analysis (FP&A)

About the Company

TruVista, headquartered in Chester, SC, is an integrated communications and technology solutions provider delivering voice, data, wireless, security and video services to business, residential and wholesale customers. The company has a proud legacy of serving rural customers, combining strong financial performance with quality products, reliable services and exceptional customer service.

Position Summary

The Financial, Planning, and Analysis Analyst will report to the FP&A Manager and will play a key role in supporting the organization's strategic growth plans.

Responsibilities and Duties (not all inclusive)

- Support the FP&A Manager and CFO in the overall Financial Management of the business.
- Be a strategic business partner to the rest of the organization to ensure alignment of financial and business strategy.
- Prepare monthly, quarterly, and annual reporting packages for management, board, and investors including timely and insightful commentary on performance compared to the prior year, plan and estimates.
- Maintain model to support budgeting, forecasting, and long-term planning.
- Develop business cases to support new investment, strategic, and other business decisions. Prepare detailed analysis to compare actual amounts to amounts in business cases and explain variances.
- Assist in preparation of quarterly financial presentations and debt compliance to external lenders.
- Oversee treasury function and prepare daily cash analysis.
- Monitor and report on capital expenditures.
- Perform other duties as assigned

Minimum Requirements

- Four-year bachelor's degree in finance or accounting, MBA or CPA is preferred but not required.
- 1 – 5 years of experience in business analysis, financial planning and reporting.
- Industry is preferred not required.
- Exceptional proficiency in building financial models and exceptional use of Microsoft Excel and Powerpoint.
- Excellent communication skills – articulate and effective communicator, both orally and in writing.
- Excellent quantitative/analytical skills with a strong attention to details.
- Ability to work in a deadline oriented fast pace environment.
- Ability to develop strong talent.
- Position will utilize a hybrid work schedule, partially remote and in the office. Candidate should have a dedicated workspace with reliable Internet connection while working remote.

Benefits

Comprehensive benefits package includes medical, dental, vision, and life insurance, 401k savings plan with company match, paid vacation and holidays, and many more excellent benefits.
